

Coming up....

25 leaders and members from NZ and Tonga registered to attend

Glenda on Sabbatical..

Aglow New Zealand National Board life is very busy and there comes a time when as Board members we need to step back from the "tyranny of the urgent" (to use an expression from one of our Advisors) to rest our bodies and minds for a time and to allow our spirit to be refreshed and ministered to by the Lord. Glenda who has so faithfully and diligently stepped into the role of Treasurer over the last 12 months and who has now been relieved of that duty by our new Treasurer, Julie, is able to allow herself to concentrate on getting some hard earned rest.

God has lovingly acknowledged Glenda's need to have the finances to be able to take a sabbatical by inspiring one of His own to bless Glenda with the money to travel. Can you imagine the tears that flowed at the reality of God's kindness and goodness when this very generous (anonymous) gift arrived in the mail! So Glenda has put a plan in place which will allow her to have 4 weeks holiday. Initially she will have a break with a friend, they have arranged to stay locally at a beach house, then she will fly to Perth to holiday with family THEN she will meet up with a cruise in Brisbane which will take her to Noumea, Vanuatu and New Caledonia!!! We are thrilled for her; please will you cover her in prayer as she travels, as well as Jeanette, Julie and Margaret as we operate the ministry with a reduced number until Glenda's return.

Jeanette is so looking forward to having her back as her PA!

Great News

At National Office we love it when there are new Leaders appointed and we want to let you know about our most recent addition to our hard working NFRs and Team members.

Anne Claessens who is the National Field Representative for the Central East North Island Region has added another person to her team. We are thrilled to welcome Angela Leigh from Te Puke to work alongside Anne and Laraine Bennett who is Anne's other Team Member.

Angela and her late husband pastored for 9 years so she brings a lot of gifts to the ministry of Aglow. She is also gifted in worship.

TAX RECEIPTS for donations to Aglow have been completed. Please advise if you have not received yours yet.

Blessings from Jeanette, Glenda, Margaret, Julie
